

Dearest Nursery Friends,

Hello! We hope you are well! We have missed you dearly and are thankful to announce that Nursery Care will be opening July 12, during the 10:00 am Worship Service

In order to welcome New Hope's youngest disciples safely back into our care, we will be following the Responsible Restart Ohio Child Care mandates which can be found here: <https://coronavirus.ohio.gov/static/responsible/Sector-fact-sheet-8-Child-Care.pdf>.

*Here's the Current Plan:*

The Nursery will be staffed by 3 Nursery Team members. More Team members will be added if needed.

**RESERVATIONS WILL BE NEEDED.** The current mandates place boundaries on the numbers and ages of children permitted in one space.

The Nursery Infant Room can host 4 infants and 2 toddlers.

KidSpace (the room immediately west of the Nursery) will become the Toddler Space which, per current mandates, can host 6 toddlers.

Due to these boundaries, Nursery Care will be given on a first come, first serve basis. **TO MAKE A RESERVATION FOR YOUR INFANT OR TODDLER, TEXT RACHEL TATE at 614-288-1934 WITH YOUR NAME, YOUR CHILD'S NAME, and YOUR CHILD'S AGE.**

When you arrive at the Nursery Welcome Center, please sign your child/ren in and complete a Child Safety Sticker, located in the basket on the Nursery Welcome Center.

Please help us by either disinfecting/washing your child/ren's hands before leaving them with the Nursery Team. Thank you!

We have a phenomenal Nursery Team. Your children will be well loved Sunday, July 12 and beyond. We ask for your prayers, patience, and grace as we open our doors to share God's story and love.

Blessings,
